My dear Amit,

A two-day, National Symposium on 'Memories of 22 October 1947' is being organized by the National Museum Institute of History of Art, Conservation and Museology, New Delhi in SKICC, Srinagar, Kashmir on 22-23 Oct 2020. The symposium will be accompanied by an exhibition on 'Invasion by Pakistan of Kashmir' at the same venue.

The aim of the symposium and exhibition is to bring forth the historical narrative of the events sparked off by the Pakistan backed invasion by the Afghan Tribal Militia on 22 Oct 1947 and to bring about awareness among the people about this phase of our history.

Recalling the violence and atrocity of invaders and valour displayed in overcoming this challenge will be a tribute to the people who laid down their lives in the first battle of independent India. The symposium and exhibition proposes to outline shapes and contours of a future museum on this theme.

The Symposium and Exhibition will be inaugurated in Srinagar, Kashmir and there will be simultaneous web telecast. It is requested that University and College students join and hear this symposium virtually and view the online exhibition. It should be web telecasted in the University and Colleges. Pertinent web links to the Symposium and Exhibition will be shared with your office.

Thank you in advance for your kind support.

with warmest greetings,

Yours sincerely,

(Raghvendra Singh)
